AFTER SEDATION APPOINTMENT INSTRUCTIONS

1. Before you leave your dentist office you will be given information from your dentist about looking after your mouth as well as when you should see your dentist again.
2. After appointment, you **MUST** make certain that you have someone responsible to accompany you home, and under **NO** circumstances can you drive, travel home alone by bus or taxi. You must not drive or operate power tools or machinery for 24 hours.
3. **DO NOT** drink alcohol for 24 hours.
4. Your dentist will discuss with you what medications to take for pain. Do not take any other prescription drugs, without prior consultation with your dentist.
5. Avoid making important or financial decisions for at least 24 hours.
6. Once at home, rest and take it easy. You may feel tired for the remainder of the day.
7. For the first 3 hours do not eat or drink anything. You will have a frozen mouth for several hours and eating or drinking may cause coughing and choking. After 3 hours, take liquid diet or soft diet for the rest of the day.
8. If you have any questions about your dental work, dental care, or have any problems with pain or bleeding, please call the dental office.
9. If you have any concerns about sedation call Dr Grewal at 403-286-8555.
10. In the event that you cannot get in contact with Dr Grewal, and concerns, please proceed to the nearest emergency department of your local hospital

11. If you are admitted to a hospital within 10 days after your procedure please notify your dentist.
